What is Grobust®?

Herbal Grobust® is a proprietary combination of herbs including blessed thistle, dandelion root, damiana, dong quai, lemon balm, mother wort, saw palmetto and wild yam.

Grobust® offers a safe and affordable natural alternative that thousands of women have used and loved for more than 10 years.

How Does Grobust® Work?

In a research study conducted in affiliation with a prominent university, Grobust® was shown to be safe and well-tolerated, and to have a positive impact on PMS-related tension and irritability, as well as promoting a trend for increase in breast circumference.
